

Joe's Creek Trail Head, is 4 miles from the Junction of FSRD 618 and FSRD 409. Continue east around the lake on FSRD 618 to RD 422. This single lane road, climbs from 5000 at Sage Hen to 6500 feet at the trailhead. This road is in good shape, but is not suitable for goose Neck style trailer. There is parking for 5 or 6 trailers at the trail head.

Joe's creek trail is a bit over 2 miles long where it joins West Mountain trail [131] and about a mile more to the fire lookout on Tripod Peak.
