

Bucks Basin / Lake Basin ( Council Mountain ) west of Donnelly, ID

Jungle Creek (camping) off NF road 186

GPS N44 41.865 W116 13.392

Lake Basin - 2007

Council Mountain – East side, Lake Basin Below

Council mountains east side contains a number of alpine basins, Buck, Lake and Granit. It is a very special place that doesn't see frequent visitors. A number of trails will get you to these basins, but a favorite of Squaw Butte is the Crystal Creek Trail, from the Jump creek camping area.
