

Lend a Hand, Leave a Legacy: Sawtooth Wilderness Trail Work Trip!

Join us for an unforgettable week of volunteering and adventure in the breathtaking Sawtooth Wilderness!

When: July 10 – July 20, 2024

Where: Sawtooth Wilderness, Idaho (Queens River Trailhead, near Atlanta, Idaho).

Why: Help maintain critical trails, restore aquatic habitat and preserve this extremely remote, iconic Wilderness access corridor for generations to come.

What to Expect: Our crew of up to twelve people will have pack support for this trip, meaning all gear, food and tools will be transported courtesy of Dan Waugh at Back Country Horsemen of Idaho. The crew and string will hike +/- 11 miles to a fixed base camp from the Queens River trailhead, climbing through the Little Queens River drainage into the headwaters of Johnson Creek, the project area. The crew will be hiking in with just day packs (water, lunch, rain gear).

The crew will prepare meals individually or as couples, with access to coolers for food and beverages.

The Work: For 2 of the 11 days, assist with loading pack stack into and out of the wilderness, 6 of the 11 total days, clear fallen trees with hand saws/crosscuts saws, remove extensive brush with bypass loppers, improve tread and perform other trail maintenance tasks. For 3 of the 11 days, leisure time to relax, or enjoy fishing the numerous alpine lakes within range of the camp or climbing the surrounding peaks.

Training: No experience necessary! We'll provide all tools and training.

Camping: Enjoy starry nights under the Central Idaho Dark Sky Reserve.
Leisure: Explore stunning scenery 3 of 11 free days (fishing, hiking, relaxing).
Camaraderie: Bond with fellow volunteers who share your passion for the outdoors.
Who Should Apply: Anyone 18+ in good physical condition and eager to give back.
No prior experience needed - we welcome all skill levels!
