

Basic & Advanced Stock Packing

Sunday May 23, 2010 - Circle G River Ranch - 8:30 to 16:00

CONTACT: Rob Adams projects@sbbchidaho.org

Directions: <http://www.circlegriverranch.com/>

Sunday will be a totally hands-on day. BCHI members are Free, Members of the public \$30.00 Attendees are encouraged to bring their horses and pack stock, if they would like but stock is not required to participate in the clinic. Come be challenged and leave a safer and more confident stock packer.

Online Sign-UP Form http://sbbchidaho.org/html/event_form.html
Advanced Sign Up is required to attend this Clinic

This full day is the perfect venue for the aspiring packer to learn the skill and tools to safely take their equipment and stock into the backcountry. Experience packers will be able to fine tune and expand their skills.

Participants will work with mentors at a number of skill stations. Each station will work on a different skill and attendees will have the opportunity to work on the skills at their own pace.

Advanced stations will have packing problems to challenge experienced packers and to improve their skills.

Packing stock and equipment will be available for use by participants that do not have their own. Please indicate if you have pack stock and equipment when you fill out the online sign-up form. Lunch will be catered by the 4H as a fund raiser.
