

### Directions to Whitehawk Basin:

Go to Lowman. Turn East onto HWY 21 and almost immediately (right before the bridge) turn left onto FS Road 582 (also known as the Bear Valley Road.)

Follow this for 16 miles to the Clear Creek Summit.

Turn left onto FS Road 510, there is a Whitehawk Basin sign, follow 510 for approx.8 miles. Turn left again onto FS 503, follow for approximately 5 miles to parking area. The parking area is above the road on the left, there will be a SBBCH sign. The following images will give you some perspective on the area.

Overall View

Road from parking area to Trailhead and the basin meadows, note compass.

Same view looking south, note compass.
